### **Instructions for the Preparation of the Abstract**

Type using any electric typewriter with standard typeface and carbon film ribbon or laser printer. Typefaces should be used only with spacings for which they have been designed.

The abstract should be submitted in a simple-spaced typescript. Type the title with an indent of 40 mm in capitals followed by the authors' names and full addresses underlining the author who will present the paper. New Times Roman is preferred but other good-looking fonts are also accepted. Size: 12 pitches for the title (capitals), authors' names (bold) and the text and 10 pitches for the addresses.

Use only the upper **half** of the A4 format. Margins: upper and lower: 10 mm, left and right: 12 mm.

Example of the Abstract:

ARTICLE OF A GENUINE WORK ON THE BEHAVIOUR OF MICE IN THE  
MOUTHS OF BIG CATS AFTER LONG RUNS

**G. W. Tall, A. Short<sup>1</sup> and B. Wide**

Institute of Surface Science, Upper street 23, Mousetown, C-4528 Catland

<sup>1</sup>Steelwork of Catland, ....

A concise description of the aims, methods and results is required. The text is simple-spaced typescript. Please avoid figures in the short abstract.
